Little ED Rechargeable Recoil LED Zone 1

Save as PDF

Peli lights - LED technology rechargeable lights

The rechargeable version of the The Little Ed 3660 LED uses a long-life NiMH battery pack for extended burn time. It comes with a charger base unit that can be installed at home or work using the 220V transformer, or in a vehicle through direct wiring or 12V plug-in adapter. Certified to ATEX Zone 1 (Category 2).
