

Extreme Sport Dive Light

Nemo™ 1900 Flashlight

Unlike conventional flashlights that have a yellowish beam, the MityLite 1900 uses a hi-intensity Xenon lamp that produces a powerful, bright beam. Use this compact flashlight to cut through thick smoke, fog, and dust. It is submersible to 100 meters and comes with a twist-on shroud. The 1900 is ideal for any situation. Powered by 2 AAA alkaline cells.

Body Material: Xenoy Polymer Resin

Minimum Pack 12 ea.

Packaged Weight: 2.4 oz.
