

2380 LED Flashlight

INSTANT SPOT TO FLOOD.
A dual purpose tactical light with flood and spot light capabilities: A wide light beam illuminates your work area and a focused light beam will light-up long trails. Our sophisticated slide beam technology instantly alters the beam distance from spot to flood and vice versa. Built-in battery level indicator ensures you will not be left in the dark.

The compact size (6.44"/16.4 cm), ultra bright 159 lumen output, and aerospace grade aluminum body equal high performance in a small package. Built Pelican tough and guaranteed for life, the new 2380 LED Flashlight with slide beam technology gives you the lighting you need, when you need it.
Body Material: Aluminum with Type II Anodized
Minimum Pack 6 ea.
