HeadsUp Lite LED

HeadsUp Lite™ 2670 LED Headlight

To blaze new trails for all those who need brilliant hands-free light, Pelican Products has unveiled the HeadsUp Lite™ 2670 LED as part of its Adventure Series line.

The 2670 is a tough, weather-resistant, headlamp that weighs a mere 4.8 ounces. Powered by three AAA batteries, the super-bright LED gives off 22 lumens of clean brilliant light for up to 11 hours while in constant mode. Also featured is a rear intermittent and constant safety beacon which can be seen for more than half a mile at dusk and flash for more than 20 hours.

Ideal for map reading, lighting a dark trail, or any other low light task, the 2670 offers a 90 degree pivoting lens so the user can focus the light where they need it most.

Body Material: ABS/ PC

Minimum Pack 1 ea.
