3390 Knife/Lite Combo

The new knife and lite combo combines Pelicans super bright [PM6 Flashlight](#) and the rugged KB-1250 knife. Both are compact and fit easily into your pocket or hunting vest. The PM6 features an On/Off tail switch and no-slip grenade grip body. The KB-1250 Knife has a 3.125" serrated blade which cuts easily through cord or webbing. Since both are durable and corrosion proof, they make the perfect companion for your next expedition.
